### ***EQUALITY STATEMENT***

Peppertree Montessori at Montclair is dedicated to the principle of equality for all students regardless of race, religion, gender, language, disability, or family background. We provide active support of initiatives that promote these principles. Equality, we believe, is at the heart of good educational practices and diversity is a strength that should be acknowledged and celebrated by every child who attends, every instructor who teaches, and every stranger who visits our school.

We strive to foster an inclusive and diverse culture in which all those associated with the school are proud of their identity and can fully participate in school life. We combat discrimination by promoting equality, challenging bullying and stereotypes which creates a warm and welcoming environment that promotes respect for all.
